- ▶ Smart technology to keep track of health, wellbeing and satisfaction

We believe our residents deserve to experience exceptional care, whether they need a little or a lot. That's why we've partnered with Five Good Friends, a provider who shares our passion, our commitment and our genuine care.

Under consumer-directed care, everyone has a right to select their preferred care provider and we will always encourage freedom of choice. Our mission is to make it as easy as possible to access quality care and support while living in the village community.

# How it works

## CARE COORDINATION & ADVICE

A Five Good Friends care coordinator will be based on-site at Brookland three days a week.

### The care coordinator can:

Residents who choose Five Good Friends as their care provider will be connected with Helpers, who will deliver home care services into their home within the village.

### Services may include:

- ▶ Cleaning and household tasks
- ▶ Transport
- ▶ Companionship
- ▶ Medication management
- ▶ Meal prep and groceries
- ▶ Personal care
